

INSPIRING A LOVE OF LANGUAGE OUTDOORS **WITH GREG BOTTRILL**

Wednesday 20th March @ Childhaven Nursery School, Scarborough

Thursday 21st March @ St Pauls Nursery, York

**BOTH FACE TO FACE EVENTS 4PM-5.30PM, FREE FOR
ALL PRACTITIONERS WORKING WITH 0-4 YEAR OLDS**

Join Greg Bottrill, childhood advocate and author of the bestselling 'Can I Go And Play Now?' as he takes us on a walkthrough of the magic of Adventure Island. This is his make-believe world that opens limitless opportunities for all the things early childhood wants and needs: story, language, wonder, chat, mark making, connection, story dreaming, and life at the edge of miracles.

Our time spent with children truly can be one spent inside a living story book, one whose pages can be dipped into at will. The possibilities of Adventure Island can go homewards too, bringing the families we lovingly work with into its wondrous magic.

In the walkthrough, not only will you get access to a treasure trove of resources and materials to get your own adventure going, you will get the e-book 'Happy Talk', an immersion into early language through the joy of Adventure Island and those who live there - The Poggie, the Bog Babies, Grumpa and Frank Lemoncurd all await you.

Bring your inner child with you and come join the magic ✨
