

Childhaven Community Nursery School Experience Day

We are an outstanding local authority maintained nursery school in a beautiful Victorian building in the heart of Scarborough. We are offering practitioners the opportunity to spend the day with us to engage in professional discussion around aspects of practice.

Each day will be themed around 'What makes outstanding?' and include plenty of time with our wonderful staff and 2-4 year-old children in their everyday life in the school, balanced with opportunities for questions and professional discussion.

On request, this day can be themed to include aspects that your team are developing if you want to visit as a larger group.
